

2nd August 2010

Griffith Park Sparkling Wine

Award winning sparkling wine, Griffith Park has just launched a summer promotion offering you the chance to buy cut-price bubbles for your big day.

From now until 17th August Griffith Park's Sparkling Brut and Sparkling Rose is on sale in Asda stores nationwide for just £4.99 a bottle instead of the usual price of £6.99.

These fabulous value quality sparklers are bottle-fermented and made from the same grapes as quality champagnes at a fraction of the price. And both bottles are the perfect celebratory alternative to Champagne if you're looking to make savings on your drinks bill. Take your pick from the Brut - a delicious blend of citrus flavours including apples and pears or for a summery alternative go for the Rose - a frothy sweet mix of strawberry and raspberry fizz.

And with a clutch of awards and recommendations from the likes of top selling wine magazine Decanter, you can guarantee it will go down a treat with your guests.
